## Ministerial Ordination

Commission Ministers Network (CMN) is a USA based international association of ministers and ministries that exists to serve leaders in the Body of Christ by:

- establishing ministry training centers,
- promoting accountability,
- providing spiritual covering and counsel, and
- producing greater excellence in ministry, with the ultimate goal of
- presenting the gospel to all nations.

CMN offers ministerial credentials for all persons 18 years of age or older who have demonstrated God's call and have responded to that call by:

- successful completion of an approved course of ministerial preparation
- actual involvement in ministry activities
- signed agreement with the CMN Covenant of Conduct
- signed agreement with the CMN Statement of Faith

CMN provides covering, but claims no ecclesiastic authority, nor desires to exercise control over any of its ministers or ministries. Each remains sovereign and self-governing under God. Ministers or ministries may retain affiliation with CMN while holding affiliation with other ministerial associations, denominations, or fellowships.
